

WITHDRAWAL INFORMATION

You have the right to withdraw from this contract within 14 days without giving any reason. The withdrawal period expires 14 days after the day on which you, or a third party other than the carrier and indicated by you, acquire physical possession of the goods. To exercise the right of withdrawal, you must inform us of your decision to withdraw from this contract by a clear statement (for example by email or by post). You may use the attached model withdrawal form, but it is not obligatory.

Effects of withdrawal

If you withdraw from this contract, we will reimburse to you all payments received from you, including the costs of standard delivery (except for supplementary costs arising if you chose a type of delivery other than the least expensive standard delivery).

We will reimburse you without undue delay, and not later than 14 days from the day on which we are informed about your decision to withdraw from this contract.

We may withhold reimbursement until we have received the goods back or you have supplied evidence of having sent back the goods, whichever is the earliest.

We will use the same payment method you used for the initial transaction unless you expressly agree otherwise.

You will bear the direct cost of returning the goods.

You are only liable for any diminished value of the goods resulting from handling other than what is necessary to establish the nature, characteristics and functioning of the goods.
